

PRESS RELEASE: Capstone named “Best Placement Agent” by Private Equity Wire

25 October 2021: Capstone Partners (“Capstone”), the leading independent global placement agent, has been named “Best Placement Agent” by Private Equity Wire. The award was announced as part of the Private Equity Wire US Awards 2021, which were compiled in conjunction with Bloomberg and presented in New York in October.

According to Private Equity Wire, “The winners represent the best in the US private equity industry, from fund managers to service providers, covering all areas of the private equity ecosystem.”

This award comes towards the end of an active year for Capstone, which raises capital for private equity, credit, real asset and infrastructure firms around the world. In 2021, Capstone clients have held closes totalling more than \$10 billion in fund commitments. Capstone’s team of 40 professionals are based at 5 offices across 3 continents.

Short-listed firms were based on a widespread survey of more than 400 GPs and other key industry participants. Voting for the eventual winners was then conducted via an extensive online poll of the Private Equity Wire readership over a period of several weeks.
